REVIEW ENGAGEMENT REPORT

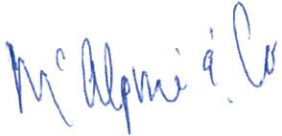

To the Trustees of the Gwaii Forest Charitable Trust

We have reviewed the statement of financial position of Gwaii Forest Charitable Trust as at June 30, 2009 and the statements of revenues and expenditures, changes in net assets and cash flow for the quarter then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Charitable Trust.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.

GWAII FOREST CHARITABLE TRUST
Notes to Financial Statements
Six Month Period Ended June 30, 2009
(Unaudited)

1. Purpose of the organization

The Gwaii Forest Charitable Trust was settled on March 29, 2007 under the terms of the Deed of Trust. The Trust was established to provide a vehicle for the repatriation of the funds contributed under the South Moresby Agreement by the Province of British Columbia and the Government of Canada to Haida Gwaii. The funds endowed by the Federal and Provincial governments are for the purpose of increasing the sustainable forest management on Haida Gwaii and to increase community stability through enhancing the forest related economy of Haida Gwaii.

The Charitable Trust is a non-profit organization under the Income Tax Act and accordingly is exempt from income taxes.

2. Going Concern

Under the terms of the Deed of Trust referred to in Note 1, the Gwaii Forest Charitable Trust is required to maintain, at a minimum, funds equal to the initial endowment of \$24,000,000 adjusted for inflation annually. As at June 30, 2009, the market value of the investment portfolio of the Trust of \$24,371,867 had fallen below the the inflation adjusted endowment value of \$24,851,100.

While the legal consequences of the breach in the terms of the Deed of Trust have not yet been determined, the Trustees have suspended any further disbursements of Trust assets for program funding until such time as the market value of the Trust assets recovers. The Trust will continue to pay such expenses as are required to maintain the Trust and meet all regulatory requirements, either directly or as reimbursement of amounts expended on behalf of the Trust by the Trustees.

3. Summary of significant accounting policies

Basis of accounting

The Gwaii Forest Charitable Trust follows the deferral method of accounting for contributions. The financial statements have been prepared in accordance with the recommendations for not-for-profit organizations found in Section 4400 of the CICA handbook.

Revenue recognition

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Investments

Marketable securities are classified as held for trading and carried at market value in accordance with Section 3855 of the CICA handbook.

7. Restricted net assets

The Gwaii Trust Charitable Trust Investment Fund represents the initial endowment of \$24,000,000 received from the Governments of Canada and British Columbia. The Fund is adjusted annually by the inflation rate for the year to protect the value of the original grant for future generations. The fund has been established as a perpetual investment fund and, as such, the original endowment with the accumulated inflation adjustments can never be touched, allocated or expended.

The annual inflation adjustment is based on the Canadian Consumer Price Index (CPI). The change for the period ended June 30, 2009 has been calculated monthly at the published CPI index and has averaged 0.7% for the period.
